

1959 Price List of

FLOWERING TREES

This list applies to my 192-page book entitled: "What Flowering Tree is That?" which is available from me or from your bookseller at \$4 cloth (with 6 color plates) or \$2.50 paper (without color plates).

All trees are priced by scientific names only. For common names see the book where all the plants in this price list are described.

Sizes given in this list are the only ones available.

There is a crating charge of \$1 on orders less than \$5.

If you want to visit my garden, please come Saturdays or on Sunday afternoons between Nov. 1 and May 1.
